WCS HOSA Membership Application

Interested in joining HOSA? If you want to be a doctor, an engineer, or even a teacher or business manager, HOSA's for you! Health Occupations Students of America (HOSA) is an international student organization promoting career opportunities in healthcare. This includes any career involving healthcare, from nursing to business administration. WCS HOSA encourages all aspiring healthcare professionals like you to pursue their dream. **We hope to see you at our general meetings!**

Please answer the following questions:

1. Which profession(s) in the healthcare field are you interested in learning more about?

2. As an active chapter, we participate in many exciting activities during the school year and value committed and creative members. Can you be an active and responsible member? Do you have a busy schedule outside of school? If yes, please list the other activities you are/will be involved in.

3. We want you to enjoy the benefits of HOSA and participate in **competitive events** and **conferences!** This is a yearly fee of \$35. Are you interested in becoming an affiliated member and paying the fee? (circle one) **YES** **NO** If no, please explain: _____
4. We'd like you to join at least one committee! Please **circle the committee(s)** you want to join:
